26 **JOINT MOTION TO MODIFY SENTENCE**  
27  
28

29 **MOTION**  
30  
31

32 The parties, through their respective counsel, Sean Anderson, Yosemite National Park  
33 Legal Officer, counsel for the government, and Benjamin A. Gerson, Assistant Federal Defender,  
34 counsel for the defendant, Kaylee Logan, hereby stipulate and jointly move this court to amend  
35 Ms. Logan's sentence and required conditions for a deferred entry of judgement.  
36  
37

38 On February 25, 2020 Ms. Logan appeared before the honorable Jeremy Peterson and  
39 entered a deferred entry of judgment ("DEJ") on citation 7577984. Citation 7577983 was  
40 dismissed. Ms. Logan was required to complete 12 months of unsupervised probation, payment of  
41 \$750.00 in fines and surcharges, and booking through the U.S. Marshals service. On April 29,  
42 2020, the requirements of the DEJ were amended to a \$375.00 fine and 37.5 hours of community  
43 service. See ECF #13. To date Ms. Logan has made one payment of \$75.00 and has reported for  
44

1 U.S. Marshals booking in Seattle, Washington, and has not incurred any new law violations.

2 Ms. Logan contacted the undersigned defense counsel to report difficulty with her fine  
3 payment schedule, as well as completing her community service in December 2020. Ms. Logan  
4 reported that she has been unemployed for a significant portion of 2020 due the COVID-19  
5 pandemic. As a result she had to relocate four times. Finally, Ms. Logan was the victim of  
6 domestic violence by an intimate partner. The parties now moves the court to modify the  
7 requirements of her DEJ to allow for the difficult circumstances she faced in 2020.

8 The parties recognize the goal of a DEJ is to allow low level offenders to avoid a life long  
9 criminal record by demonstrating good conduct. The parties also recognize the intrinsic link  
10 between mental health, substance abuse, domestic violence, and contact with the criminal justice  
11 system. As Ms. Logan is already in compliance with two of the main conditions of her DEJ – no  
12 new law violations, and booking with the U.S. Marshals office- the parties jointly move the court  
13 to modify the remaining conditions to reconcile Ms. Logan’s personal circumstances with the goals  
14 of the DEJ.

The parties hereby move the court to reduce Ms. Logan's payments from a total of \$375.00, including court costs, to a total of \$275.00, including court costs, and to waive all late fees that have accrued. In addition, the parties move the court to allow Ms. Logan to attend counselling for domestic violence victims in lieu of community service. At the court's suggestion, the parties agree that Ms. Logan shall attend a total of 12 sessions. Ms. Logan has already attended four sessions. The parties agree that these requirements satisfy the goals of the DEJ, as well as the government's penal interest, recognizing her good conduct during the period of the DEJ.
